B-22-20 D-17-15

	Very Well Done 5	4	Meets Requirements 3	2	Does Not Meet Expectations 1
Main Ideas, Key Events	Main ideas and Key events were displayed in good detail.		Some main ideas and key events were missing from the chapter.		There was no real attempt to gain details from the chapter. Several key events were missing.
Character Development	There was detailed reference to the characters and character development in the story.		There was little reference to the characters and character development in the story.		There was no reference to the characters and character development in the story.
Flow and rehearsal	The speaker clearly rehearsed and was prepared for the speech. The speaker's thoughts flowed with each other		The speaker somewhat rehearsed and the flow of the speech was awkward at times.		There was clearly little or no preparation for this speech. There were awkward pauses and the thoughts were merely regurgitated facts.
Thematic Elements	The speaker clearly thought about thematic elements of the hero's quest model as well as hero qualities.		The speaker somewhat thought about thematic elements of the hero's quest model as well as hero qualities.		The speaker did not include or think about thematic elements of the hero's quest model as well as hero qualities.
Visual Aide	The visual aide clearly aids the speech. The speaker does not read from it, but rather uses it as a point of reference. Great effort was put into creating the visual aide.		The visual aide somewhat aides the speech. The speaker reads directly from the aide at times and does not use it as a point of reference. The visual aide took a minimal effort to complete.		The visual aide does not aide the speech. The speaker reads directly from it and does not use it as a point of reference at all. The visual aide took little or no effort to complete.
